

ASSOCIATION OF BOXING COMMISSIONS

“HEALTH AND SAFETY DISCLOSURE”

As per the Muhammad Ali Boxing Reform Act (federal law), each commission must present to every professional boxer, a medical disclosure upon issuance of a Federal Identification Card.

As a professional boxer you should be aware that this sport includes many health and safety risks, particularly the risk of brain injury. Therefore, is it strongly recommended that a professional boxer undergo the necessary medical exams that detect brain injury. If you need further information about these exams, please contact the Missouri Office of Athletics or your local boxing commission.

I affirm that I understand the above statement.
